

WHO IS THE OKLAHOMA CITY FOUNDATION FOR ARCHITECTURE?

The Oklahoma City Foundation for Architecture was created in 1999 and although a very young organization, has had tremendous success with our events, programs and projects.

1200 NORTH ROBINSON

OCFA secured and saved the old Church of Christ, Scientist building at 1200 N. Robinson. We were also successful in placing this building on the National Register of Historic Places.

CELEBRATE 100: AN ARCHITECTURAL GUIDE TO CENTRAL OKLAHOMA

OCFA teamed with the American Institute of Architects, Central Oklahoma Chapter to publish a guide to architecture of the past 100 years in Central Oklahoma. We are currently working on turning the guide into an app to have Oklahoma Architecture at your fingertips.

SCHOLARSHIP FUND

The OCFA awards two scholarships annually to a professional architecture degree-track student at the University of Oklahoma and Oklahoma State University.

LYNNE ROSTOCHIL NATIONAL REGISTER GRANT PROGRAM

The OCFA offers an annual grant program to fund the preparation of National Register nominations for structures, sites, and/or districts in central Oklahoma.

DIGITAL ARCHITECTURAL ARCHIVES

OCFA maintains a searchable database of architectural plans on the OCFA website.

ENDOWMENT FUND

OCFA has an endowment fund with the Oklahoma City Community Foundation.

BI-MONTHLY ARCHITECTURE TOURS

OCFA hosts bi-monthly tours that showcase architecture. These tours are open to the public and serve as a way to promote the importance of architecture in our community.

BOWLING FOR BUILDINGS

This spring, OCFA will host a bowling tournament to support OCFA and to bring together architecture enthusiasts for an evening of fun!

SKETCHING & MORE

OCFA is working to plan additional events throughout the year to showcase Oklahoma architecture.
